For how can I endure to see the evil that shall come unto my people? Or how can I endure to see the destruction of my kindred?

Esther 8:6

May - June 2010

Dear Friends,

Clothe a Child – Update: (as written by Ashley) Our first "Clothe a Child" trip to Romania took place on the 14th to 16th of May. God opened the hearts of 7 young people to come and help us on our missions trip. A lot of donors blessed us with a van full of clothes, shoes, blankets, and other material. When we got to the Manna center, our Slovak volunteers were speechless; dirt roads, children with no shoes, clothing scarce... I think they realized how blessed they are to have a place to lay their heads at night, to have a family, to have friends, and to be loved. Later on through out the day the children had their lunch, and then we had a Bible

story and some songs for them. As they would leave the Manna center they would each get a set of clothing, and some sweets. To see those children laugh and smile, It was an amazing experience. Thank you for your support, and most of all I praise our God for giving us the urge to help others.

Speaking of children, the following month, exactly June 1st, is traditionally "International Day of Children". It is a big day in Slovakia. Our center MANNA organized long-day activities in our town park designed for young families with children. What a great opportunity to present spiritual truths thru games, stories, and songs to all attended. Approximately 200 heard of Jesus' love in one way or another.

Correction from previous letter: Ashley turned **14** on January 9th, not 13 as indicated.

Dear Friends, words are insufficient to express our love and gratitude to you for being partners with us in this ministry. Your faithful prayers and love mean so very much to us!
