

March 2010

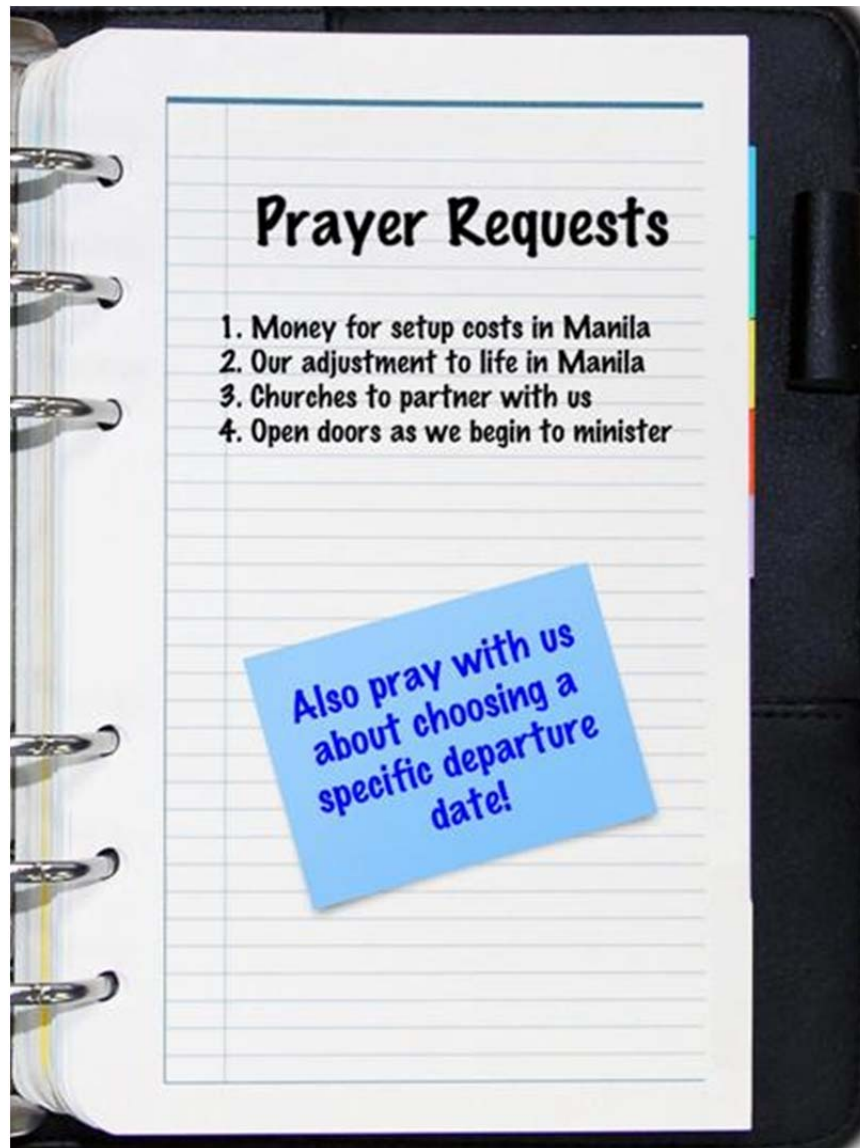

We are increasingly closer to leaving for Metro Manila. In the last 2 months, we've seen an overwhelming answer to prayer as 5 churches have partnered with our ministry. We are anticipating several others being able to do the same soon. Please pray with us that new partners will come along side us and help us! We are literally almost there!

We have listed below several prayer requests for our ministry as we prepare to leave for Manila. Though we have not yet set a specific date, and we may still be a few months out, there are many things to be done in preparation.

Prayer

This month's Spotlight is on ministry, as usual. But it is not on our ministry. It's on yours.

As teammates in taking the gospel to the Philippines, you have a crucial role in our success or failure. Your *financial* support helps sustain us and allows us to do the work of ministry. But it is your *prayer* support that helps us win the spiritual battles.

James Fraser was a missionary working with Hudson Taylor's China Inland Mission. He worked among the Lisu people, and he understood the power that prayer had in his ministry; specifically, the prayer of others. Having other people pray for him was a key to seeing breakthroughs with the Lisu people. A prayer team, started by his mother back in England, was highly instrumental in this. Fraser wrote to them:

“I will not labor the point. You will see from what I am saying that I am not asking you just to give ‘help’ in prayer as a sort of sideline, but I am trying to roll the main responsibility of this prayer warfare on you. I want you to take the burden of these people upon your shoulders. I want you to wrestle with God for them.”

Will you wrestle with God for the Philippines? Pray with us!

Thank you for your prayers as we continue to raise support for our vision! Perhaps we will see you soon in our travels!
