

Many greetings from Tanzania.

I just wanted to send you a brief report and a couple of pics. We completed our annual missions emphasis at the Dar es Salaam city church this week. What a month it was! The Faith Promise Commitment last Sunday was up considerably from last year. The highlight was a young family in the church standing before the congregation to share their call to plant a new church in the Kigamboni area of the district.

The offering that you sent for the two needs we mentioned has been put to use. We are thoroughly enjoying our Kindle and downloading digital books one right after the other. Here are a couple of pictures of the new swing set that the money was used for. It is a great addition to the city church, especially as they consider starting a kindergarten school on the property.

Our appreciation and regards to all at Family Fellowship.
