

Thai-Surge *Make a Difference Where it Counts!*

Over the past year, our Global Surge missionary team has been working on a partnership with some Thai Christian Businessmen! Through a variety of circumstances, God has brought a Filipino-based team and a Thai team to move the bar forward for the Great Commission!

A Passion For God...Blessed in Business!

On a layover from Cambodia, Global Surge Team Missionaries Roger Akers and Greg Lyons, had breakfast with a young businessman in Bangkok. As we shared what God is doing through our ministry in Metro Manila and other countries, the businessman said, "Would you bring all of your ministries to Thailand? We need your help!"

Many factors contribute to the low number of Christians in Thailand. The culturalization of the Buddhist religion, the strong family ties that resist changing faiths and the few existing believers, are among a few of the reasons there are only 0.4% of the population numbered as Christians.

Recent unrest has provided a window of opportunity! The political and social unrest has caused many Thai people to question their values and faith. The businessmen we are partnering with are convinced that now is the time to share the Gospel in Bangkok! With their help, we will implement some ministry systems that have been effective in other Asian megacities.

Thai-Surge - Invest in Reaching This Great Nation!

Would you partner with us in helping send a Filipino Team to Bangkok? **We need 10 plane tickets - \$385 each.** Our Thai partners are covering the ministry costs in Bangkok, we just need help getting ten of our Filipino Team Members to Bangkok!

For the same cost of flying two Americans to Asia, we can send a team to implement ministry and train Thai Christian brothers to be more effective in reaching their own people.

Please [CLICK HERE](#) to partner with this tremendous opportunity! You will receive instructions on how to partner.

Let's Change The World!

Sincerely,

Greg & LuAnn Lyons

Global Surge
Missionary Team

**Asians
Reaching
Asians**

Join this unique opportunity to empower a Filipino Asian Team to train a Thai Asian Team! Help complete the "Full Circle" of missions through helping Asians Reach Asians!
