Teachers & Administrators Hear the Gospel

Meet Needs...Open Hearts
Strategic Prayer

Global Surge

God is assembling a new team to impact our world! Global Surge seeks to touch lives on multiple levels, each leading to a changed life through Jesus Christ. Leveraging the strengths and talents of a team of new servants for our God, we are able to impact a greater number of people in less time!

We are looking for more team members! If you would like to be part of a ministry that is visionary, compassionate, forward thinking, and making a real difference in our world, please email me about joining the team!

Teachers, School Administrators, PTA Officials Hear the Gospel!

God continues to open doors among the Department of Education officials! We are working through three of the major district offices in Metro Manila. With each success, God opens new doors with the remaining districts in this megacity!

Special thanks to the Rawlings Foundation for building the Highlands Camp Site and funding this outreach to the teaching community! Through the Rawlings Foundation financial help along with a strong committed multi-cultural Global Surge Team, the Gospel has touched thousands of new people!

Teachers Camp 2010 has impacted **8,292 public and private school faculty**, ranging from elementary through the university levels.

Our program focuses on meeting three major needs evidenced in the teaching community: Over-worked, Under-paid, and Unappreciated.

We meet these needs strategically in the following ways:

Over-worked Teachers - The peaceful setting of the Highlands Camp and a relevant program helps the teachers relax. This allows for barriers to the Gospel to be lowered!

Under-paid Teachers - Thanks to the Rawlings Foundation, the teachers receive a scholarship to the camp. The Global Surge Team, who implements the program, volunteer extra time to reach the teaching community!

Unappreciated Teachers - Our program has been approved by the Department of Education. Certificates of Completion as well as Certificates of Appreciation are given to each teacher who attends! In most cases, this certification process will count towards the teachers continuing education credits needed to maintain their professional status.

MEET NEEDS...OPEN HEARTS!

Focusing on serving the teaching community and meeting their needs has opened their hearts to the Gospel! As the teachers sense and experience our love for them, born out the love of God our team experienced, we are able to share the Gospel more freely.

A special Gospel presentation is offered at each camp. Using multiple sensory approaches we share God's plan of salvation. Drama, song, and in a clear message, each teacher hears how to have a new life through Jesus Christ. **3,650 were dealt with for salvation!** Our counseling team deals with all respondents making sure each one fully understands the decision to follow Jesus Christ.

Follow up is initiated immediately. Contact information is secured and each person who gets saved is contacted within two days of attending Teachers Camp 2010. We have already had many teachers and parents attend our various multi-site church locations.

Partner Through Strategic Prayer!

Would you pray with us? We are asking many of our partners to pray strategically for 3 things to happen over the next 90 days:

- Those saved will commit to Discipleship.
- Those saved will get involved in a Small Group.
- Those saved will follow the Lord in believers baptism then become members of a local New Testament church.

God is blessing our partnership! Let's Change The World!
