Dear Paul,

Thank you for your prayers and financial support of World Help. Because of you, more than 6 million lives were impacted in 2010 alone through:

- distributing millions of dollars of humanitarian aid around the world
- feeding hundreds of thousands of people regular meals at our feeding centers
- finding thousands of new child sponsors
- building Homes and Villages of Hope for AIDS - orphaned children
- drilling clean water wells in areas of greatest need
- maintaining Forgotten Children Centers and a sports center
- providing job training for hundreds of child soldiers
- planting churches in many areas where there are no churches
- printing and distributing thousands of Bibles

But there is always so much to do and there are millions of hurting people around the world that need our help . . . and we can't do it without you!

As a vital part of World Help, whether through prayer, financially, or both . . . we are excited to see how God continues to use us again in 2011.

Together, we are doing something that will outlive us and last for eternity.

Hope for today . . . hope for tomorrow,
